# "QUALITY IS THE MAGNET" SHORTHORN SALE

Dear Friends:

We invite you to our second annual production sale May 7th. Also we would like to say we are very happy to have "Miller Ranches," Castle Rock, Colorado, with their consignment of 12 head of very outstanding cattle in this sale.

We are selling 53 head and the 12 head, from the Miller Ranches, makes this a large offering of 65 head of outstanding cattle.

Like we told you last year, we plan to make this sale an annual event, and the only way to make it a success is to sell GOOD CATTLE, and we are confident that everyone who attended our sale last year will agree that the Shorthorns we sold were outstanding. This is going to be our practice this year and every year after.

We are selling 8 Bulls -- Since we are planning on reducing the size of our herd, we are offering you RANSOM PRETENDER and GOLDEN OAK PRINCE 28th, *two of our proven herd sires*. You will see many calves by these two bulls in the sale as well as in the herd we are keeping. Our 2 top show bulls also have been cataloged for the sale. Please read their show records and look their pictures over good in this catalog. They are as good bulls as you can buy any place.

One senior bull, Idylweiss Leader, to whom we have bred several of our two-year-old heifers this year, and three yearling bulls that we believe are as good herd bull prospects as anyone would want.

The eleven bred heifers are from our show string and replacement heifers which a year ago we had intended to keep. The sixteen bred cows are all steady producers of good calves. Many of them will have big calves at foot by sale time. The eighteen open heifers are big, growthy females all uniform in quality and not one of them need be apologized for.

We were overwhelmed with the success of our first sale a year ago. Also we have not received a single complaint from anyone who purchased cattle in our first sale. For this we are very proud.

We hope you will plan to be with us May 7th, to inspect this offering of 65 head of Shorthorn Breeding Cattle from two of the most outstanding herds of Shorthorns in the country.

We will make every effort to make your day at the sale an enjoyable one.

JOHN R. & RUSSEL J. CUMMINGS

DIVIDE MISS RAMSDEN 12th — She is a grand cow that would be outstanding in anyone's herd. Bred December 14th to Golden Oak Prince 28th.

"MIDDLE-OF-THE-ROAD SHORTHORNS" have always been what the Cummings have striven to produce. Shorthorns with depth, thickness, substance, easy fleshing and rapid gaining ability, yet with no sacrifice in breed, character and quality.

The next 18 heifers that sell are all open. They have all been officially calfhooed vaccinated for Bangs. They include two daughters of Ransom Pretender, one by Prince Peter Archer and 15 by Golden Oak Prince 28th, one of our proven herd sires that sells as Lot No. 5. Here is a grand group to select some replacement females from.
